(7<sup>th</sup> June 1975 - 30<sup>th</sup> Sept 1995)

## From the Principal's Desk...

Established in 1996, Lalit Jain Commerce College has traversed a long journey of twenty eight years scaling new heights over the years. It is proud privilege on my part to acknowledge the faith showered upon the institution by the students and the guardians so far, and also I acknowledge the untiring efforts of the teachers who have devotedly worked to educate and empower the learners. Beginning its journey with only thirty three students, the college now boasts of a significant strength of students in Commerce department and we are hopeful that with the development of the infrastructural facility, we can accommodate more students aspiring for quality education in the commerce stream. It needs to be mentioned here that the college is affiliated to Assam University, Silchar and apart from CBCS course, the college is offering FYUGP (Four Years Under Graduate Programme) in Commerce from the academic session 2023-2024. I am happy to announce that the college proposes to introduce FYUGP (Arts) and Bachelors of Business Administration (BBA) from the session 2024-25.

Besides providing holistic education, the college also engages the students in co-curricular and extra-curricular activities in order to ensure the overall development and inculcate good habits in them. We believe that this is necessary to face the challenges of the emerging job market or even to develop confidence in entrepreneurship skills. Located in a serene campus outside the bustling town, the college campus has been developed over the years in keeping with the needs of the children. The library has a stock of over twelve hundred eighty nine books and journals which are easily accessible to the students and teachers. The computer lab with fifteen computer helps the students to engage with the syllabus content and also hone their technical; skills. To ensure security and all round monitoring, the entire college campus is under CCTV surveillance. The college campus also includes the Boys Common Room and Girls Common Room. There is also the provision for sports. Our students take part in various inter-college competitions under the able guidance their teachers.

In spite of financial constraints, Lalit Jain Commerce College has undertaken the project of developing the college campus with the addition of new buildings and other infrastructural facilities for better teaching-learning activities. It is a matter of privilege to state that the college has been assigned as an examination centre by the Assam University for its TDC examinations both theory and practical and thus students do not have to appear exams from any other centre.

The results of the college in the TDC Examinations have shown an improvement over the years and we are hopeful that this trend will continue. It is a matter of pride and honour that many of our students have secured 1<sup>st</sup> Class 1<sup>st</sup> Position in B.Com final exams and were awarded with Gold Medal by Assam University, Silchar.

With best wishes to the student fraternity of the college, we will carry the legacy of the college forward.

## 2. A BRIEF HISTORY OF LALIT JAIN COMMERCE COLLEGE :

The long felt need for a specialised institution for commerce education in this region necessitated the establishment of Silchar Commerce College in 1996. Preliminarily classes were held in the premises of Rajib Gandhi Open Institute. Consequent upon donation of land at Meherpur (Near Union Four Mill) by Shri M. P. Jain, the name of Silchar Commerce College was changed to Lalit Jain Commerce College in fond memory of his deceased son Lalit Jain.

Presently, the college is housed in its own building at Meherpur behind Union Flour Mill Building. The objectives for which the college was established is sought to be maintained through rigorous pursuance of the academic calendar. In its efforts to provide the best in the field of commerce education, the college puts great emphasis on the individual needs of the students. The faculty is an ingenious mix of experienced and fresh teachers committed to the overall development of the students. Apart from academics, students are also geared to meet the challenges of the emerging job market and develop entrepreneurship skills. The college started its journey under the stewardship of Late Prof. Aswini Kumar Chakraborty (retd.
